

# All the way

(A. Crouch)

**A** All the way  
I'm going, all the way  
No matter what, tomorrow brings

All the way  
I'm going, all the way  
So don't even try  
To turn  
Me around

Oh yes I'm going all the way  
I've got to go all the way

**A**

**B1** Solo: Satan is busy try'n to block my path

Alla: But I'm going all the way

Solo: He's throwing rocks and hiding his hands

Alla: But I'm going all the way

Solo: You may stone me and turn your back on me

Alla: But I'm going all the way

Solo: Because God's got His arms wrapped all around me

Alla: I'm going all the way

**A**

**B2** Solo: God never said my way would be easy  
Or that the sun will always shine  
But He said no matter what I go through  
He'll be with me all the time

Alla: If God is for us, who can be against us  
Greater is He who is in us, than he who is in the world
