

My world needs you (K. Franklin)

- A1** *Solo1 / Kör:* Show me your face, fill up this space
My world needs you right now
My world needs you right now
I can't escape, being afraid
Fill me with you right now
My world needs you right now
- A1** *Solo2 / Kör*
- A2** *Solo3 / Kör:* Power fall down, bring with it a sound
That points us to you right now
Erase substitutes right now, fix what I see
And God please fix me
My world needs you right now
Let us see you right now
- A2** *Kör*
- B** Ev'ry heart in the world, God needs you
To rescue
Storms have come and torn our hearts in two
We need you
- A3** Show me your face, fill up this space
My world needs you right now
My world needs you right now
- C** Jesus, Jesus, Jesus, Jesus
Jesus, Jesus, Jesus, Jesus
- D** Storms may come but when we call your name
All things change
Kingdoms fall one thing forever reigns
Is your name
Oh, how sweet to know that your great name will never change
It stays the same
- Outro** Show me your face, come fill this space
My world needs you right now
My world needs you right now
