

There's no Christmas without You

A T: It's time again for the holidays
With pain and sorrow miles away
But in my spirit I've gotta say
There's no Christmas without You

With caroling and mistletoe
Children playing in the snow
But in their hearts the world must know
There's no Christmas without You

B T: Your gift of love, such a sacrifice to give
Sent from above
So that we shall forever live

So with our voices lifted high
And praises reaches to the sky
Jesus, You're the reason why
There's no Christmas without You
